

Preview Guide – The New ATP Aviation Hub Dashboard

Welcome to the New ATP Aviation Hub Dashboard

There are two upcoming changes to the ATP Aviation Hub we wanted to tell you about. These changes are planned for mid-November 2017.

We will update you with the exact date as we get closer to release.

For more detailed information on these upcoming changes, please continue to read through this brief introductory guide.

New Hub Dashboard Widgets

Widgets are helpful tools for displaying Hub information and providing 1 click access to more information.

New Dashboard Widgets include:

The screenshot shows the ATP Aviation Hub dashboard with several callout boxes explaining the widgets:

- Recently Viewed Publications:** List of publications you recently opened. Click to display the publication.
- ATP Communications:** Displays the latest ATP news.
- New ADs:** List of new ADs recently added to your library. Click to view more information.
- Recently Updated Profiles:** Displays list of profiles you recently viewed. Click to view the profile.
- AskBob AMT Community:** Headlines from www.askbob.aero community site.
- Licensing & Usage:** Displays who is logged in and using your ATP libraries.

The dashboard also features a sidebar with navigation options like Dashboard, System Settings, EZ Subscription Status, Support, and various services. The main content area includes sections for Recently Viewed Publications, New ADs, Recently Updated Profiles, and Licensing & Usage. A mobile application promotion is also visible.

Important: Some customers will continue to see their current Welcome Page due to existing agreements with certain manufacturers.

New Top & Site Panel Navigation

Logo: Click the logo to display the Dashboard.

Menu Toggle: Hides and displays the Side Navigation pane. Especially important for mobile views.

Quick Find: Updated search input. No "Quick Find" or "Submit" button; search is initiated by using the Enter or Return key.

Great to see you, <user>: Clicking this reveals a dropdown containing User Preferences (the settings as they apply to the specific logged in user) as well as the Sign Out (Log Out) functionality.

Hub Services: This list is dependent on licensing and user permissions - not all links are available to all users.

Navigation Sub-Menus: Some menus provide an additional list of menu option from which to select.

LogIT Bookmarks: Displays a list of publications you bookmarked.

Resource Links: List of links to helpful resources.
